PRESIDENT'S MESSAGE

Congratulations to the ANAT trustees and all the contributors for reaching the long sought goal to get this much needed service off the ground. My only hope is that it will be able to help curtail some of the illegal dealings in our hobby, and I'm sure once it is going full swing we will notice a drastic reduction in the flow of fake coins, if we as collectors use its services.

✧

It's not too early to be thinking about officers for TNA, as this is an election year. I will be calling for nominations next month and I hope that each District will respond with the nominations for district governor as soon as possible. Start looking around your district now and seeking out potential candidates.

✧

The reason the last two issues of TNA News was late getting to you was due to the fact that our editor, Miriam Gilmore, has been very ill and we all wish her a speedy recovery. Miriam, is a very valuable asset to TNA and without her help and guidance my job would be very difficult.

Exhibits To Highlight P.N.G. Coin Show

At the Professional Numismatists Guild's annual show in Dallas October 29-31 there will be some unusually fine exhibits. The Dallas Coin Club is sponsoring the show.

The Bureau of Engraving and Printing will exhibit approximately one billion dollars in currency and Mr. Conlon, Bureau Director, will be present.

In addition there will be a complete set of gold Stellas, Kellogg & Co. 1855 50 dollar gold piece - only 13 known to exist. 1798 Small Eagle - only five known, and the 1804 silver dollar.

On Saturday afternoon there will be a short educational forum.

SECOND TEXIAN LOAN

Conclusion

By THOS. C. BAIN
Dallas, Texas

The Legislative Council of Texas on December 7, 1835 authorized one million dollars to be borrowed and since only two hundred thousand dollars was received by the First Texian Loan, an authority was given by the Agents of Austin, Archer and Wharton, on January 16, 1836 to try to secure more money for the Cause of Texas. This was in accordance with a commission issued to them by Henry Smith, Governor of Texas, dated December 7, 1835. Stephen F. Austin, Branch T. Archer and William H. Wharton were the agents, but Mr. William H. Wharton had to leave New Orleans for Texas so he gave authority for the other two to act for him.

Many more persons in New Orleans were contacted concerning making a loan to the Provisional Government of Texas and on January 18, 1836 an agreement was drawn up and the First Article read as follows:

"The said parties of the second part have contracted and agreed and by these present do severally, but not jointly, contract and agree to make a loan, for the term of five years from the day of the date hereof, to the People or Government of Texas, to the amount of Fifty Thousand Dollars, on the terms and conditions and in the proportions following to wit:

JAMES ERWIN	$ 5,000.
WILLIAM F. RITCHIE	8,500.
HOWARD F. THORNTON	1,000.
GABRIEL W. DENTON	10,000.
JACOB WILLCOX	10,000.
JAMES HUIE	5,000.
THOMAS O. MEUX	2,500.
CHRISTOPHER ADAMS, JR.	1,000.
JOSEPH E. WHITALL	1,000.
THOMAS BANKS	1,000.
JEREMIAH MORTON	3,000.
ROBERT TRIPLETT	2,000.
MAKING TOGETHER THE SAID SUM OF FIFTY THOUSAND DOLLARS	$50,000.

Which has been paid to the said parties of the first part, who hereby acknowledge the receipt thereof."

The agreement was signed by all above on January 18, 1836 and William Christy was the Notary Public.

The second Texian Loan land scrip was issued to these men in three hundred and twenty dollars denominations and for eight per cent interest. The document mentioned that land in Texas secured this loan at FIFTY CENTS per acre.

Since Mr. Wharton had left for Texas, the second Texian Loan land scrip, dated January 18, 1836, was signed by only S. F. Austin and B. T. Archer. The place for W. H. Wharton to sign was left blank.

All of the second Texian Loan land scrips may have been issued, but many are not known issued to some of the names above and all are very rare.

A photo of the second Texian Loan land scrip is shown in Criswell's Confederate and Southern States Bond Book and listed as 36A. The photo shown was not issued and does not contain the signatures of S. F. Austin and B. T. Archer.

JUNIOR READIN' ROUNDUP

By MARY JANE WHYBORN
San Antonio, Texas
Youth Chairman

On Tuesday, August 11, I was privileged to be the guest speaker for "JUNIOR NIGHT" at the Alamo Coin Club, which also happens to be my home club. There was an excellent crowd, and the juniors were well represented. The exhibits prepared by these young people were truly outstanding, as a matter of fact, they were so outstanding that all five exhibitors were awarded first place. At the meeting on August 25, each of these youngsters received a lovely trophy indicating they were awarded first place on "JUNIOR NIGHT" at the Alamo Coin Club. Those exhibiting were: Lori Grossman, Andy Holds, Janna Kamperman, David Richmond, and Linda Whyborn. I want to publicly thank these fine Junior exhibitors for their participation and congratulate them on a job well done.

Those of us who served as committee chairmen for Alamo City Coin show deeply regretted the necessity of cancelling the show. As Exhibit Chairman, I am overjoyed to be able to report that the majority of the exhibit applications I received were from juniors. I only wish these exhibitors could have had a chance to display the results of their efforts.

By the time this is printed I will have attended the TNA board meeting which is held annually at the Austin Money Mart in September. It is always a pleasure to attend this fine coin show. The exhibits are outstanding, the competition keen, and the awards beautiful. I certainly hope there will have been a large junior representation among the exhibitors.

Very briefly, I would like to extend my sincerest well wishes to those TNA members, their families, and friends who were subjected to the devastating anger of Hurricane Celia. We are so thankful that all of you are safe and trust that your lives will soon be restored to normal.

Thomas Moore of Dallas has donated seven auction catalogs. Also please add to your slide set list #48 Coins of Uragnay being donated by Bill Slate of Houston.

We have noticed recently that in requesting slide sets the club is not giving enough time for the sets to reach them. Many write and request a slide set for showing in the next few days. Remember the mails are slow and the post office is closed on Saturday now.

NEWS ROUNDUP – A.N.A.

By NORMA MATHER
Corpus Christi, Texas
A.N.A. Representative

CONGRATULATIONS!! — yes, again this month. This time to David O. Joplin of Levelland on being awarded Honorable Mention in the Individual class in National Coin Week competition. This information was not included in the news release I received earlier so was not mentioned in this column.

"Joy" is a dedicated supporter of the hobby, has been for years. He is serving as governor of TNA district IX and was reelected president of the Levelland Coin and Stamp Club.

We are looking forward to presentation of the award certificates to Victoria Numismatic Club and Mr. Joplin by the chairman of National Coin Week for 1969 and 1970, Ed Rochette, editor of **The Numismatist** and the **ANA Club Bulletin**, at the awards breakfast at Austin Coin Club's Money Mart.

"Two for Texas" made those of us who were privileged to attend the awards meeting at the ANA convention in St. Louis doubly proud. We were delighted to be able to list some 60 Texans we saw there. Of course "we" means your co-district Representatives Ellis Brooks and myself.

✧

One of the exciting moments at the ANA convention came when Director of the Mint, Mrs. Mary Brooks announced the establishment of a Numismatic Service at the Philadelphia Mint under the direction of Charles Hoskins. This is realization of a 35 year hope but an immediate result of efforts in Washington within the past year of ANA president Herbert Bergen and of your letters to your congressmen which went on to Mrs. Brooks. NOW is the time for you to thank those legislators for their efforts in behalf of the Numismatic Service and to enlist their support for the House Joint Resolution 1110, introduced by Rep. Roger Zion (R-Ind.) which would authorize the President of the United States to proclaim the fourth week in April of each year as National Coin Week. It is always good to be able to commend your representatives in government. This makes them more receptive to your requests. Here's a timely opportunity.

✧

Other exciting announcements at the convention were that the American Numismatic Authentication Trust exceeded its $50,000 goal at the convention and president's Bergen's intention to appoint a very carefully selected committee to take steps to set up the service.

ANA Governor Richard Long of Corpus Christi very competently handled the exhibits symposium and has been appointed to head the committee on setting up the museum at the ANA headquarters in Colorado Springs.

✧

Be sure to read coverage of the convention, reports of officers, action taken and forum talks as they appear in **The Numismatist** and other publications.

He said these coins had been known for over 600 years and in many varieties from many states and provinces. They were silver coins which usually weighed 1 1/3 ounces. The particular one in question was that of Yuan Shih Kai, military leader who crushed the Manchu Dynasty. With a number of these one Dr. Lee (not his real name) was able to buy his way out of Communist clutches. Mr. Roberts showed a Yuan Shih Kai dollar set in a silver ash tray and other coins that were mentioned in his talk.
